

**U.S. COMMODITY FUTURES TRADING COMMISSION
ENERGY AND ENVIRONMENTAL MARKETS ADVISORY COMMITTEE
FEBRUARY 28, 2023 AGENDA**

9:30 a.m. Opening Remarks

- Commissioner Summer Mersinger
- Chairman Rostin Behnam
- Commissioner Kristin Johnson
- Commissioner Christy Goldsmith-Romero
- Commissioner Caroline Pham

10:00 a.m. Panel 1: Financial Transmission Rights

A discussion around how electrification and increased renewable and intermittent energy production could affect the electric grid and the FTR market.

Lead Participants:

- Jaqueline Roberts, West Virginia Public Service Commission
- Joe Bowring, Monitoring Analytics
- Demetri Karousos, Nodal Exchange, LLC

12:00 p.m. Break for Lunch

12:30 p.m. Panel 2: Electric Vehicles and the Effect on Metals Markets

A discussion exploring how CFTC-regulated metals markets could grow and may experience stress due to increases in electric vehicle production.

Lead Participants:

- Dan Bowerson, Alliance for Automotive Innovation
- George Pullen, CFTC Division of Market Oversight

2:30 p.m. Closing Remarks

3:00 p.m. Adjourn Meeting
